**Please note that this is a private registration link to be used only by members of the World Energy Council's MCs. Please ensure that your members are aware and that the link is not shared beyond your membership network.**

## HELP US TO HELP YOU!

As a valued member of the World Energy Council community, we count on your input and support to make the Congress a success. Please see below ways in which we can work together to make this a truly landmark World Energy Congress that benefits you and your members.

### 1. Exhibition and Sponsorship

- a. Share with us recommendations and/or introductions to regional government entities, companies and associations which are interested to sponsor or exhibit at the Congress. Please email [partners@roscongress.org](mailto:partners@roscongress.org) with the organisation name and contact details.
- b. Please inform us on the best ways to approach your recommendations, e.g., by form of letters, meetings, telephone or emails.

### 2. Promotion:

- a. Help us reach your national and regional audience by sharing with us your recommendations on key media, associations or events in your country or region.
- b. We encourage you to bring along a delegation of your members to build network and facilitate new business at the Congress. To do so, please take advantage of your Member Committee's discounted registration fees using your dedicated registration link.
